2004 ANNUAL REPORT

for the
**TOWN OF BENNINGTON
NEW HAMPSHIRE**

BRUCE C. EDES
1950-2004

Bennington said a sad and unexpected farewell to Selectman Bruce Edes, who collapsed during a road race on October 31.

Bruce was a well-known and well-respected member of the community. A former firefighter and rescue captain, current EMT, avid outdoorsman, marathon runner, former Boy Scout leader, and dancer with the Monadnock Mavericks, Bruce volunteered his time and talents for the benefit of others. As well as being dedicated to his family and community, Bruce was a highly valued member of the Monadnock Paper Mill family.

We miss his infectious smile, his wicked sense of humor and his genuine care and concern for Bennington and the community at large.

The Town of Bennington proposes designating a 12.9-acre parcel of land for the creation of a Town Forest to be named in memory of Bruce Edes. Monadnock Paper Mills, Inc. is enthusiastic about donating 17 acres of abutting land to enlarge the Town Forest in honor of Bruce, a long-time employee of their facility.

The Conservation Commission will manage the forest. Long-range plans are to create a natural environment for the community to visit and appreciate the beauty of the outdoors amidst trails leading to the beautiful Contoocook River and overlook the perfectly manicured lawns of the Monadnock Paper Mills, which were maintained by Bruce. These long-range plans not only fit the goals of the Conservation Commission, but also will help memorialize Bruce in the most true of all forms.

A "YES" vote on Warrant Articles 18 and 19 will help bring this project to fruition.

TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Bennington in the County of Hillsborough in said State, qualified to vote: You are hereby notified to meet at the Pierce School on Tuesday, the eighth of February, next at seven o'clock in the evening, and then at the Fire Station on Tuesday, the eighth day of March, next at eight o'clock in the forenoon, to act upon the following subjects:

Note: The casting of absentee ballots will begin at 1:00 p.m. The polls will close at 7:00 p.m.

1. To choose all necessary Town Officers for the year ensuing.
2. Shall the Town adopt the provisions of RSA 72:28, II, for an optional veteran's tax credit for qualified veterans? The optional veteran's tax credit proposed is \$500, compared to the existing tax credit of \$100.
(Recommended by the Selectmen)
3. Shall the Town adopt the provisions of RSA 72:35, I-a, for an optional tax credit for service-connected total disability for qualified veterans? The optional tax credit for service-connected total disability proposed is \$2,000, compared to the existing tax credit of \$1,400.
(Recommended by the Selectmen)
4. Shall the Town of Bennington adopt the Exemption for the Blind, based on any person who is legally blind as determined by the Blind Services Program, Bureau of Vocational Rehabilitation, or Department of Education? Every inhabitant shall be exempt each year on the assessed value, for property tax purposes, of his or her residential real estate to the value of \$15,000.
(Recommended by the Selectmen)
5. Shall the Town raise and appropriate as an operating budget, **not including appropriations by special warrant articles and other appropriations voted separately**, the amounts set forth on the budget proposed with the Warrant or as amended by vote of the First Session, for the purposes set forth therein, totaling (one million one hundred eighteen thousand forty-nine dollars) \$1,118,049? Should this article be defeated, the default budget shall be (one million forty-two thousand three hundred fifty-five dollars) \$1,042,355, which is the same as last year, with certain adjustments required by previous action of the Town or by law or the governing body may hold one Special Meeting, in accordance with RSA 40:13X and XVI, to take up the issue of a revised operating budget only.
(Recommended by the Selectmen and the Budget Committee)
6. Shall the Town raise and appropriate the sum of thirty-seven thousand dollars (\$37,000) to be added to the Fire Truck Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)

7. Shall the Town raise and appropriate the sum of eight thousand dollars (\$8,000) to be added to the Water Department Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
8. Shall the Town raise and appropriate the sum of twenty thousand dollars (\$20,000) to be added to the Highway Truck Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
9. Shall the Town raise and appropriate the sum of twelve thousand five hundred dollars (\$12,500) to be added to the Police Cruiser Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
10. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Library Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
11. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Sewer Department Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
12. Shall the Town raise and appropriate the sum of eight thousand dollars (\$8,000) to be added to the Rescue Van Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
13. Shall the Town raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Highway Equipment Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
14. Shall the Town raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Bridge Replacement Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
15. Shall the Town raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be added to the Revaluation Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
16. Shall the Town raise and appropriate the sum of eleven thousand dollars (\$11,000) to be added to the Sidewalk Replacement Capital Reserve Fund?
(Recommended by the Selectmen and the Budget Committee)
17. Shall the Town raise and appropriate the sum of four hundred sixty-three dollars and fifty cents (\$463.50) as its share of the 2005 programming for Project LIFT, which provides literacy services and materials to Bennington citizens over 16 years of age?
(Recommended by the Selectmen and the Budget Committee)

18. Shall the Town designate Town owned land (Map 9, Lot 8) as a Town forest to be named in memory of Bruce Edes and, in accordance with the provisions of RSA 31:112, authorize the Conservation Commission to manage the Town forest?

(Recommended by the Selectmen and the Conservation Commission)

19. Shall the Town authorize the Selectmen to accept land and/or easements on land now belonging to Monadnock Paper Mills, Inc. and adjacent to Town land (Map 9, Lot 8) for the purpose of expanding a Town forest dedicated to the memory of Bruce Edes?

(Recommended by the Selectmen and the Conservation Commission)

20. Are you in favor of authorizing the Planning Board to prepare and amend, with input from municipal departments and committees, a recommended program of municipal capital improvement projects projected over a period of at least six years to aid the Selectmen and the Budget Committee in their consideration of the annual budget as permitted by RSA 674:5?

(Recommended by the Selectmen and the Planning Board)

21. Shall the Town permit the public library to retain all money it receives from its income-generating equipment to be used for general repairs and upgrading and for the purchase of books, supplies and income-generating equipment?

(Recommended by the Selectmen and the Library Trustees)

22. To see if the town will vote to urge the selectmen to do everything in their power to restore full Postal Service to downtown Bennington.

(Petitioned Warrant Article)

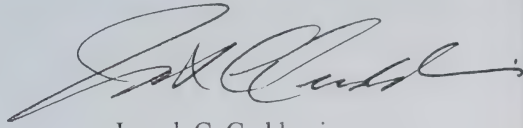

23. Polling hours in the Town of Bennington are now 8 o'clock in the morning to 7 o'clock in the evening. Shall we place a question on the state election ballot to change polling hours so that polls shall open at 10 o'clock in the morning and close at 8 o'clock in the evening for all regular state elections beginning in 2006?

(Petitioned Warrant Article)

24. To see if the town will vote to direct the Selectmen to assemble all of the Minutes of the Town Meeting, sessions One and Two, in note book form to be available in the Town Hall and the Town Library. The note books shall include the Minutes of Town Meetings going at least 25 years back, and of this and all future Town Meetings. The purpose of this warrant article being to codify the votes of the town, and to make it easier for townspeople to see what decisions have been made in the past.

(Petitioned Warrant Article)

Given under our hands and seal this 8th day of February, in the year of our Lord two thousand and five.

DEFAULT BUDGET OF THE TOWN

OF: Bennington, New Hampshire

For the Ensuing Year January 1, 2005 to December 31, 2005

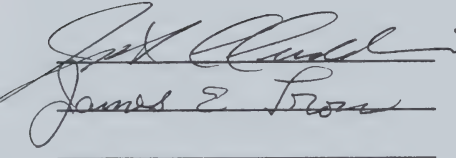

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

Planning Board - Peter Eppig
Zoning Board of Adjustment- Judith Heddy
Zoning Board of Adjustment- Jim Cleary (write-in)

When the polls opened at 8:00 a.m., the Voter Checklist contained 789 registered voters. During Election Day, 26 new voters were added to the checklist. When the polls closed at 7:00 p.m., the Voter Checklist totaled 815 voters. A total of 357 voters cast their ballots in this election, which was a 45% voter turnout.

The Deliberative Session Town Meeting, Session 1, was attended by 22 registered voters.

Before the discussion on the warrant articles began, the Moderator recognized Selectman, Jim Cleary for his many years of service to the town, as he would not be running for re-election. All those present joined in a round of applause for Selectman, Jim Cleary.

The Moderator noted that the following Zoning Ordinances may be discussed but could not be amended.

The Moderator initiated discussion on the following articles:

2. Are you in favor of amending the Zoning Ordinance by repealing the existing Article XII- Cluster Development-and replacing it with a new Article XII- Open Space Residential Development, as proposed by the Planning Board? The full text of the Amendment can be found posted with the Warrant and within the Town Report.

Note: Selectman Cuddemi moved the article as read. The article was seconded without discussion and accepted as read.

3. Are you in favor of amending Article XVII, Definitions, of Zoning Ordinance to redefine the definition of “Frontage” to read: The contiguous distance along the lot line dividing a lot from either (a) a publicly maintained highway, excepting limited access highways as defined by RSA 230:44 and Class VI highways; or (b) an approved road shown on a recorded subdivision plan, as proposed by the Planning Board? When a lot borders on more than one public highway, the frontage shall be on the roadway on which the lot has the greatest length.

Note: Selectman Cleary moved the article as read. The article was seconded without discussion and accepted as read.

4. Are you in favor of amending Article XVII, Definitions, of Zoning Ordinance to redefine the definition of “Front Setback” to read: The distance from the boundary of the

right-of-way line of a street(s) and the front line of a building or any projection thereof, as proposed by the Planning Board?

Note: Selectman Schnare moved the article as read. The article was seconded without discussion and accepted as read.

5. Shall the Town of Bennington modify the elderly exemptions from property tax, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years \$25,000; for a person 75 years of age up to 80 years \$50,000; for a person 80 years of age or older \$75,000. To qualify, the person must have been a resident of New Hampshire for at least 5 consecutive years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$23,500, or if married, a combined net income of less than \$35,500; and own net assets not in excess of \$75,000 (excluding the value of the person's residence)?

Note: Selectman Schnare addressed the article stating that the Selectmen recommended it. The Selectmen feel that since the town is being reevaluated, it would be a good time to increase the income requirements for the elderly property tax exemptions. This would enable more of the town's elderly citizens to qualify for the exemption. From the floor, Peter Martel inquired about the previous levels to qualify. Selectman Schnare clarified the old levels and explained that they had not been increased to keep up with the cost of living. No amendments were introduced and the article was accepted as read.

THE ARTICLE PASSED

6. Shall the Town raise and appropriate as an operating budget, not including appropriations by special articles and other appropriations voted separately, the amounts set forth on the budget posted with the Warrant or as amended by vote of the first session, for the purposes set forth therein, totaling one million forty-two thousand three hundred fifty-five dollars (\$1,042,355)? Should this article be defeated, the operating budget shall be nine hundred seventy-six thousand and eight dollars (\$976,008), which is the same as last year with certain adjustments required by previous action of the Town or by law or the governing body may hold one Special Meeting, in accordance with RSA 40:13X and XVI, to take up the issue of a revised operating budget only.

Note: Selectman Cleary addressed the article and explained the cost increase of the dispatch and radio use. From the floor, Peter Martel asked for clarification of the town's reevaluation and the effect on the budget. Selectman Cleary explained the town-wide reevaluation and the cost to the town. No amendments were introduced and the article was accepted as read.

7. Shall the Town raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be added to the Fire Truck Capital Reserve Fund?

Note: Selectman Cuddemi addressed the article and stated that the moneys to be put into the Fire Truck Capital Reserve Fund were the normal yearly amount. The fire truck will be due for replacement in five years. No amendments were introduced and the article was accepted as read.

8. Shall the Town raise and appropriate the sum of eight thousand dollars (\$8,000) to be added to the Water Department Capital Reserve Fund?

Note: Selectman Schnare addressed the article noting that at present there is a balance of \$33,500 in the Water Department Capital Reserve Fund. From the floor, Peter Martel questioned if it was not possible that the people that use the town water pay for the majority of the expense instead of the whole town paying for the maintenance.

Selectman Schnare explained that the whole town adds to the water fund and the amount that the people pay for water does not cover all the expenses. Selectman Cronin added that the Water Fund is like the school. Not every family has a child in school but everyone is taxed to pay for it.

Mr. Martel stated that the school could be used by anyone in the community. He continued that he felt that the people who received town water should be taxed extra to pay for the service.

Selectman Cleary stated that the town has a commitment to maintain the system. From the floor, Kristie French added that the money from the water fund does not just pay for water, but it also is used to maintain the hydrants. David Moorehead added that though he does not have town water, he feels that the amount that is added to his tax bill is a fair deal. No amendments were introduced and the article was accepted as read.

10. Shall the Town raise and appropriate the sum of twenty-eight thousand three hundred dollars (\$28,300) to purchase a new Police Cruiser and authorize the withdrawal of eighteen thousand three hundred dollars (\$18,300) from the Capital Reserve Fund created for that purpose? The balance of ten thousand dollars (\$10,000) is to come from general taxation.

Note: Selectman Cuddemi addressed the article noting the need to replace a cruiser. The actual amount that would be raised from taxes would be ten thousand dollars (\$10,000) but the article has to list the full amount of the cruiser. The balance of the price would come from the Capital Reserve Fund. No amendments were introduced and the article was accepted as read.

19. Shall the Town raise and appropriate the sum of eleven thousand dollars (\$11,000) to be added to the Sidewalk Replacement Capital Reserve Fund?

Note: Selectman Cuddemi addressed the article noting the work that would be done on Main Street, School Street and Cross Street. From the floor, Craig Spara inquired when we could expect the work to be done. Selectman Cuddemi explained that the town needs to look into drainage and a possible 80/20 matching funding. The work could possibly be completed in five years. No amendments were introduced and the article was accepted as read.

Selectman Cuddemi publicly thanked the many Town volunteers.

Selectman Cleary spoke to the issue of the upcoming vote to change the school funding ratio. He encouraged everyone to get out to vote on March 9th, as the proposed change would increase Bennington's taxes.

There being no other business at hand, Kristie French made a motion to adjourn the meeting. The motion was seconded and the meeting was adjourned at 7:55 p.m.

Respectfully submitted,

Debra Belcher

SELECTMEN'S MESSAGE

Whether you are a snow sports fan, football fan or baseball fan, 2004 was a year to celebrate. Crotched Mountain Ski & Ride is up and running to full capacity; the Patriots won their second Superbowl, the Red Sox finally won the World Series after 86 years, and we hosted our own baseball playoff tournament right here in Bennington.

At the 2004 annual town meeting voters defeated funding of a replacement police cruiser and the contracted balance due for the revaluation. The taxpayers incurred excessive maintenance costs to keep the Crown Vic roadworthy; trade-in value is diminished because of high mileage. On the other hand, although funding was defeated for the revaluation, the Town was obligated by contract to proceed to completion. Fortunately an assessing line item in the operating budget existed and the expenditure was applied against this line item.

This Board of Selectmen, as did our predecessors, firmly stands on the merit of the Capital Reserve Funding program. Without these "savings" accounts, the tax rate would wildly fluctuate if the Town's major purchases were funded through the operating budget. We encourage you to support this worthwhile funding program and vote "YES" on warrant articles 6 through 16.

You probably have heard that the 1989 fire truck has a significant rust problem that is too costly to repair. The Selectmen, Capital Improvement Plan Committee and the Budget Committee all agree that it makes good fiscal sense to replace the vehicle now instead of the original replacement date of 2008. The Selectmen plan to exercise the authority granted to them in 1990 when the voters named the Selectmen as agents to carry out the object of the Fire Truck Capital Reserve Fund, which is to purchase a replacement fire truck.

Additionally, the Selectmen plan to exercise the authority granted to them at the 1993 Town Meeting when the voters named the Selectmen as agents to carry out the object of the Police Cruiser Capital Reserve Fund, which is to purchase a police cruiser.

The Town is the recipient of a \$700,000 Transportation Enhancement Grant. Reconstruction of the roadside in Town will restore pedestrian access by way of sidewalks and crosswalks, delineating the roadway, and parking with granite curbing. The Town is responsible for a matching amount of \$140,000. At the close of 2004, \$52,219 exists in the Sidewalk Replacement Capital Reserve Fund. Thanks to the foresight of funding this Capital Reserve item, the reconstruction of the village area in a few years will become a reality without significantly impacting the tax rate.

The Revaluation of all properties was completed this summer. Overall, the value of the Town increased 70%. The next state-mandated Revaluation will be in 2009. We must continue to set aside money in the Revaluation Capital Reserve Fund in anticipation of the Revaluation.

The Selectmen continued their pursuit of encouraging property owners to bring their property into compliance with the Junk Yard Law. Your cooperation is appreciated. The task will continue in the spring.

The Town of Antrim has changed the future of funding their ambulance service. Through 2004 Bennington residents have not been billed for ambulance service. Beginning January 1, 2005 the individual receiving ambulance transport service, or their insurance company, will be billed for services. Arrangements are in place for abating the ambulance bill in cases of hardship.

We applaud Fire Chief Mark Chase and Good Samaritan Michael Althouse for their rescue of a canoeist after his canoe capsized in Powder Mill Pond. Their selflessness is to be commended.

The following folks retired from their positions in 2004:

Catriona Beck – Planning Board and Cable TV Consortium
Tammie Blanchette – Library Trustee
Frank Carrara – Trustee of the Trust Funds and Zoning Board of Adjustment
James Cleary – Selectman
Nick Collemacine – Water/Sewer Commissioner
John French – Capital Improvement Plan Committee
Kristie French – Assistant Town Clerk
Chester Heinzman – Building Inspector
Barbara Huntley – Health & Welfare Officer
Mae Lizotte – Trustee of the Trust Funds
Robyn Manley – Budget Committee
Terry Schnare – Conservation Commission
Kelly St. Pierre – Recreation Committee
Carrie Whittemore – Library Trustee

We are sincerely grateful to all of them for their commitment and dedication to serve the Town. Thank you one and all! We wish you well in your future endeavors.

On a somber note, we miss the energy and enthusiasm that Bruce Edes brought to the Town and the community at large. A true gentleman and friend whom we feel honored to have known. Please familiarize yourself with the plans to create a Town Forest in his memory. Your "YES" vote on articles 18 and 19 will carry on Bruce's spirit and appreciation of life.

The year ended with the unexpected closure of the Community Post Office. The Selectmen continue to work with Postal and State officials in an attempt to bring the Post Office back to Bennington.

Out of respect and admiration for our Veteran's, the Selectmen have included warrant articles to raise the veteran credit from \$100 to \$500, and raise the service-connected total disability tax credit from \$1400 to \$2000. Please join us in supporting these warrant articles.

The Selectmen extend their thanks and appreciation to the employees and volunteers who do such a great job providing services to the Town. It is a pleasure working with them. We encourage our fellow residents to take an active part in the community. There are numerous committees that need staffing and Boards that have vacancies. Please let us know your interests.

CAPITAL IMPROVEMENT PLANNING COMMITTEE

The requested 2005 funding for the Capital Improvement Plan Program totals \$136,500. The 2004 Capital Reserve Funds requested was \$119,000, two requests were defeated bringing the 2004 funding down to \$89,000.

By category/function the 2004 Capital Improvement Plan Committee took the following action on Capital Reserve Funds (CRF) and Expendable Trust Funds (ETF):

Fire Department:

The Fire Truck CRF balance is **\$140,872**. The 1989 KME Pumper has a significant rust problem, supports are rusted and the frame in the rear is buckled and twisted. Estimates to repair the frame range from \$30,000 to \$50,000. The original date to replace the vehicle is 2008. Three bids were secured for the purchase of a replacement fire truck in 2005; the lowest bid was for \$176,000.

The Committee voted to appropriate \$37,000 for the Fire Truck CRF.

Forestry Truck CRF balance is **\$21,685**. The Committee voted \$0 funding.

Rescue Van CRF balance is **\$43,318**. The rescue van has 4000 miles on it and should continue in service another three years. The Committee spread the needed \$24,000 future funding over a three-year period.

The Committee voted to appropriate \$8,000 for the Rescue Van CRF.

Water Department:

The Water Department CRF balance is **\$44,338**. The Commissioners informed the Committee of the need to acid-clean the well. The Committee members felt that the cleaning is a maintenance item and not a capital expenditure; money to acid-clean the well was included in the Operating Budget.

The Commissioners advised the Committee that they would eventually be sharing the cost with Antrim for the purchase of a portable generator that could be transported between the two pump stations, as needed, to provide emergency power. The Commissioners estimate that the Town's share would be \$18,500.

The Committee voted to continue the annual appropriation of \$8,000 for the Water Department CRF.

Sewer Department:

The Sewer Department CRF balance is **\$29,531**. The Committee voted to continue the annual appropriation of \$5,000 for the Sewer Department CRF, which was established for dredging at the Antrim lagoon.

Police Department:

The Police Cruiser CRF balance is **\$21,146**. At the 2004 Town Meeting voters defeated funding the Police Cruiser CRF resulting in the cruiser replacement program being extended to five years. This additional year of use is very costly for maintenance and greatly decreases the trade-in value when the odometer exceeds 100,000 miles.

The Committee voted to appropriate \$12,500 for the Police Cruiser CRF.

Highway Department:

The Highway Truck CRF balance is **\$85,303**. The cost to replace the 1995 International in 2006 is estimated to be \$120,000; the purchase will include a new plow, sander, etc. since new equipment was not included in the purchase of the 1995 International truck.

The Committee voted to appropriate \$20,000 for the Highway Truck CRF.

The Highway Equipment CRF balance is **\$24,710**. The Committee voted to continue the annual appropriation of \$10,000 for the Highway Equipment CRF.

The Mower CRF balance is **\$6,315**. The Committee voted \$0 funding.

The Bridge Maintenance ETF balance is **\$21,792**. The Committee voted \$0 funding.

The Bridge Replacement CRF balance is **\$44,874**. The State has provided a cost estimate of \$1,200,000 to replace the jointly owned bridge at the Antrim/Bennington town line (Depot Street/North Bennington Road). The Bennington Selectmen has previously stated that the balance would be split 50/50 with the Town of Antrim. This would amount to \$120,000 for each town. The State advised that the earliest year Bridge Aid Funds will be available is FY 2010, and could be postponed to a subsequent funding year.

The Committee voted to continue the annual appropriation of \$5,000.

The Sidewalk Replacement CRF balance is **\$52,219**. The Town is the recipient of a \$700,000 Transportation Enhancement Grant; the Town is responsible for a matching amount of \$140,000. The State advised the preliminary engineering is scheduled for FY 2006, construction is programmed for FY 2007.

The Committee voted to continue the annual appropriation of \$11,000.

Revaluation:

The Revaluation CRF balance is **\$1,693**. The 2004 \$30,000 Warrant Article to fund the Revaluation CRF was defeated by the voters. The Selectmen met their legal obligation of carrying the project to completion by spending against the Assessing line item in the Operating Budget. The next state-mandated revaluation is scheduled for 2009.

The Committee voted to appropriate \$15,000 for the Revaluation CRF.

Library:

The Library CRF balance is **\$36,449**. In 2004 funds were withdrawn from the Capital Reserve Fund for replacement windows, \$5,720 and roof repairs, \$4,800.

The Committee voted to continue the annual appropriation of \$5,000 for the Library CRF.

Town Buildings:

The Town Buildings ETF balance is **\$36,588**. The Committee voted \$0 funding.

Leslie MacGregor- Director, Melissa Clough- Library Assistant,
Trustees: Lisa Shingler-chair, Karen Aucella -co-chair, Laurie MacKeigan,
Tammie Blanchette- treasurer, retired.

In 2004 the GEP Dodge Library began its final leg on the journey toward being fully automated. Over the past years we have worked to put the entire collection onto the state library's NHU-PAC database so that our holdings could be viewed by our patrons and by other NH state libraries. After spending the past 14 months verifying the on-line collection vs. our in-house collection and correcting and adjusting for discrepancies, the process of loading that electronic information held at the state library into our new circulation software was completed. This was only possible because of WAGNER QUINTANILHA'S knowledge and expertise and his many, many hours of donated time. By the end of 2005, our patrons will be able to access the entire collection via an electronic card catalog here in the library and ultimately from their home computers.

Through the various viruses and software glitches that periodically afflict the library's computers, WAGNER QUINTANILHA has patiently put up with our frequent calls for help and has generously spent many hours fixing and teaching us how to do basic trouble shooting and correction. We are forever grateful for all he has done for us and for all the time he has spent making the library more electronically accessible and 'user friendly' for our patrons.

Summer reading program 2004 was entitled 'Check out a Hero'. DEBI BELCHER once again created the much anticipated lawn mascot. This year she made a Super Hero who then, thanks to the SHINGLER-MARTEL family, was recycled to become the library's Frankenstein for Halloween. Debi is famous statewide for her annual creations.

This year's summer program readers read approximately 3,800 pages. We had 11 story time volunteers, twice weekly story times, a visit from a canine rescue team, a presentation by the Higgins Armory out of Worcester, MA held at Pierce School, a field trip to the Christa McAuliffe planetarium and an evening to see a winning NH Fisher Cats game. Thank you to OUR TOWN COUNTRY STORE in Bennington for their donation of an endless supply of popsicles for reading incentives, the BENNINGTON GARAGE for sponsoring the Higgins Armory, and to the TOADSTOOL BOOKSHOP in Peterborough for providing the terrific discounts for gift certificates earned by our outstanding readers. Thank you to JACK DANIELS MOTOR INN in Peterborough and PIERCE SCHOOL PTO for sponsoring our summer reading program t-shirt designed by LAURIE MACKEIGAN.

The library had two big structural projects in 2004. The first was to repair the slate roof afflicted by old age and damage done by the 2004 winter ice dams. Two of the copper valleys were replaced and a great portion of the slate was replaced or repaired. The second project was replacing all of the library's storm windows and basement casement windows.

Early this fall, the library received a Children's Literacy Foundation grant (CLiF). CLiF is a non-profit organization promoting reading and writing to children throughout New Hampshire and Vermont. The grant was for 87 books for preschool through middle

school age patrons. CLiF executive director, Duncan McDougal, awarded the books to the library at a presentation and storytelling held at Pierce School. The library's obligation for the receipt of the grant was to raise \$300.00 toward the \$1,000.00 cost of the books. Through many generous donations and help from OUR TOWN COUNTRY STORE who donated a couple of Mr. Peanut heads and peanuts to use for a raffle, the library was able to make the fundraising deadline. Thank you to Pierce School principal, PAM MATTHEWS for participating and welcoming us to the multi-purpose room at Pierce School for presentation of the books to the children of Bennington.

In 2004 the library housed 18,700 books, 1,022 videos and DVDs, 450 music CDs, 900 audio books, 45 periodicals, & three newspapers. Through the NH State inter-library loan system the library loaned 510 items, and borrowed 357. The library answered approximately 1,400 reference questions, supplied IRS tax forms, provided wireless internet access, FAX and copier services, a public access computer through most of the year, homebound services, displayed NH tourist information, and provided a public bulletin board. Some of the programs that the library held this year were the ongoing book groups, one for adults and two for middle school age patrons, several story times for preschool through elementary school aged children, a multi-generational summer reading program, a mystery night, and various seasonal celebrations.

Thank you to all of our many year 'round volunteers and to our six faithful Sunday afternoon volunteers: LISA LOGAN-15 years, LAURIE MACKEIGAN- 3 years, DEB PAGE- 7 years, LISA SHINGLER-16 years, DOROTHY SMITH- 8 years and JENNIFER SPARA- 2 years.

Thank you to library trustees: chair LISA SHINGLER, KAREN AUCELLA, and new trustee LAURIE MACKEIGAN who has replaced outgoing trustee TAMMIE BLANCHETTE who recently relocated to another town.

This 99 year old library is packed to the gills with current literature, multi media, reference resources, up-to-date technology and patron services. Come check out your library as it approaches its 100th year-- old age has never been so vigorous!

POLICE DEPARTMENT

Even though the numbers are down from 2003, the Police Department had another busy year. A couple of decreases were in routine calls for service and motor vehicle stops. Part of the reason was because we had more criminal investigations - in 2003 we had 325, whereas in 2004 we had 398. Some of the workload increase was also because of felony charges - in 2003 we had 4 and in 2004 we had 15. This usually requires more man-hours in investigating.

I still believe Bennington is a very safe place to live and work. However, we must work together to keep it a safe place. I believe Bennington has long been a small community and a close community in which neighbors know each other and watch out for each other. As most people know, Bennington and the entire area around us are growing; therefore, I again ask for your help in keeping Bennington a safe community. Please keep a watch in your neighborhood and the town. If you see anything that looks suspicious, out of place, or unusual please call the police at 588-6303. We cannot eliminate crime; however, if we work together we can prevent and/or reduce it some. If you have an emergency remember you should call 911.

I am happy to report that this year we did not have any personnel changes. Corporal Marcellino is still onboard and doing a great job. We still have our two part-time officers, Dave Chenard and Lester Milton. They to are doing an excellent job. I can honestly say that all of us enjoy working in Bennington.

New in the statistic category this year are numbers for calls to Crotched Mountain Ski and Ride. We made it through the first season. How did that effect the police department in numbers?

Assist Bennington Rescue/Antrim Ambulance = 11
Thefts = 20
Arrests = 7
Other Calls For Service = 17 (drugs, mischief, disorderly, motor vehicle, etc)
TOTAL = 55

Overall Statistics: In 2003 we had a total of 6335 Incidents/Calls for Service; in 2004 we had a total of 5627 (a decrease of 708 calls, or 10.2%)

	<u>2003</u>	<u>2004</u>
Criminal	325	398
Arrests	182	176
Calls For Service	1615	1463
Motor Vehicle Stops	2684	2317
Miscellaneous	1529	1273

Miscellaneous category includes things such as: Accidents, Juvenile, Animal, Community Policing Events, Court and Mutual Aid.

In 2004 we had a total of 398 criminal cases (this includes crimes and/or motor vehicle violation cases). Out of the 398 cases, 381 have been cleared in an acceptable manner such as arrest or no charges pursued. This equates to a rate of 95.8% cleared in a satisfactory manner. There are a total of 17 unsolved cases, which include the following: Burglary – 2; Criminal Mischief – 3; Theft – 12.

I did some research on Chiefs/Officers in Bennington. I found that William Haag serve a total of 10 years (2 different times) and Dave Mancini served a total of 9 years and 7 months. In February 2005 I will have served Bennington 10 years. Yes, I still enjoy working for the town and hope to continue to do so.

I realize there are times when we have to make a decision that is negative and not popular with some people; however, all officers pledge to be professional and fair in their decision.

As always, we practice an open door policy. You are welcome to stop in anytime. However, please keep in mind there are times we might not be in the office; therefore, you might want to call first.

For information on what is happening in your Police Department please go to benningtonpd.com. Remember the ongoing programs we have; providing bicycle helmets to children who needs one, issuing gun safety locks, loaning (and in some cases donating) a child safety seat, cell phones for emergency use, teddy bears and quilts. Because of supply and demand we might be out of some items; however, we always get more. All you have to do is contact the police department and ask.

Thank you for your support.

BENNINGTON PD STATISTICAL CHART

For the Year Ended December 31, 2004

BENNINGTON FIRE DEPARTMENT

In 2004, the Bennington Fire Department responded to 195 emergency calls – a 43% increase over calls in 2003. A breakdown of calls appears following this report.

We had a very successful 2004. The Department was able to send several members to trainings and classes offered at the New Hampshire Fire Academy, Meadowood, and locally. In March, the Department hosted a CDL-B program for area Fire Departments free of charge. We are happy to report four members received their CDL-B licenses, increasing our number of CDL drivers to seven; these members currently exceed State requirements for driving fire apparatus.

Five new members joined the Fire Department in 2004. However, we are always accepting new members for both fire and rescue. If you are interested, please get in contact with us!

The Department applied for grants this year through the New Hampshire Homeland Security grant process and the Assistance to Firefighters grant program. We were awarded \$6340 through the New Hampshire Homeland grant process, with which we purchased Hazardous Materials and Triage supplies. We were also awarded \$30,305 through the Assistance to Firefighters grant program, with which we will be purchasing six new 4500 psi SCBAs (air packs), six spare bottles, and a cascade compressor system in 2005.

We held several fund raisers this year. Our yard sale, held on a very rainy September 18, was a huge success – THANK YOU to all who donated goods, came out to support us, and helped with our fundraising efforts.

This year, during route inspections, we found significant rusting and separation of the frame on our 1989 Ford KME fire truck. We met with companies about the problem and addressed the cost of repairs. We talked extensively with the Selectmen and Budget Committee and came to the conclusion that the age of the vehicle and the price of repairs were not in the best interest of the Town. As a result, we solicited bids from fire truck companies in an effort to fund a truck that is within reasonable means of our budget and is also in the best interests of our residents and taxpayers. The Capital Improvement Committee voted to raise \$37,000 to add to the existing Capital Reserve Fund to purchase a replacement truck in 2005. We hope that you will support this article in March.

In November, retired and current members of the Fire Department said goodbye to former firefighter and rescue captain, long-time resident, Selectman, friend, and current EMT Bruce Edes who passed away unexpectedly. Bruce, and his family, remain in our thoughts and prayers everyday. We know Bruce is with us on every emergency call. May you rest in peace Bruce.

We would like to thank all of the townspeople for the support you provided us in 2004. We thank you in advance for your anticipated support in 2005.

Sincerely,

Mark Chase, Chief
Joseph O'Brien, Assistant Chief
Kristie French, Assistant Chief

HIGHWAY DEPARTMENT

It seemed like a normal winter with the usual amount of ice and snowstorms. With the spring came a lot of rain...and with the rain came washouts and flooding. The road into Pine Meadows Circle was completely washed out for a day, with other roads in low-lying areas flooded for several days. After the waters receded, repairs were made with two new culverts in Pine Meadows Circle and minor road repairs throughout town.

Throughout the spring and summer we completed the guardrail and retaining wall projects on Antrim Road. Other repairs on Antrim Road included a chip seal, where 3/8" of stone is spread on liquid asphalt that seals the road and provided a uniform wear surface. We plan on shimming to level and chip seal other streets in town this year.

Our next project of 2004 was to excavate and prepare an area for concrete pads at the Transfer Station, as approved by Town Voters. These pads have made the changing of disposal containers much easier. 1,000 yards of crushed gravel was processed, with 600 yards being used for cold mix asphalt.

Following work at the Transfer Station, we began work on North Bennington Road. An asphalt grinder came in and ground up 2,400 feet of North Bennington Road. Places that once had large heaves were dug out, gravel was used to fill the void, and crushed gravel was laid and graded, and finally compacted. The final step was when Allstate Asphalt paved the surfaces.

In 2005, we would like to finish the section of North Bennington Road from the Iron Bridge toward the Deering town line. In addition, we would like to continue with work efforts at Pine Meadows Circle and we would like to shim and seal Dodge Hill Road and Bible Hill Road.

We hope that 2005 finds you all well.

Respectably yours,

David Blanchard

HEALTH DEPARTMENT

This year we did several inspections as requested by renters and owners. All problems have been taken care of which involved septic problems and sub-standard housing. We are working with the Selectmen to make this Department as efficient as possible. If anyone has any issues (including health issues), please feel free to contact the Town Hall or myself.

Respectfully Submitted,
Glenn Wilson
Acting Health Officer

WELFARE DEPARTMENT

Again, 2004 was a busy year for rental assistance. We also provided fuel assistance to those not able to meet this higher expense.

After 28 years of dedicated service to the people of Bennington, Barbara retired as Welfare Officer in September. I have been working with Mrs. Huntley for the past three years. While I know I cannot replace her, I hope that as time goes on, that I will be as efficient as she was.

During this period of transition, I have added office hours at the Town Hall on Thursday evenings from 6:00 p.m. to 7:00 p.m. You may also request an appointment if the time on Thursday evenings is not convenient for you. If you should require assistance, please do not hesitate to contact the Town Hall during regular business hours, and someone there will contact me as soon as possible. I look forward to working for the people of Bennington.

I also wish to thank St. Patricks Parish for their annual Easter and Thanksgiving Baskets for the needy and elderly. Also, thank you to the Operation Santa Claus from Peterborough for the wonderful gifts that were distributed throughout Bennington for our younger people.

Wishing you a safe 2005.

Respectfully Submitted,
Glenn Wilson
Acting Welfare Officer

THANK YOU BARBARA

The Selectmen regretfully accepted the resignation of long time employee Barbara Huntley. Barbara served the Town as Welfare Officer for 28 years and Health Officer for 13 years. Whenever someone was in need of these services they would visit with the Officer at her home. It didn't matter the day or the hour, Barbara made herself available to everyone in his or her time of need. She literally had an "open door policy" – as indicated by the sign she had tacked to her door – "Holler / Come On In".

Barbara quietly kept tabs on our shut-in and senior residents making sure they had gifts at Christmas and special holiday meals. She also made sure the children in Town knew the excitement of Christmas and were warmly dressed. She embraced the less fortunate and assisted families in their time of crisis.

For all of the above, and numerous behind the scenes activities that she was responsible for, we sincerely thank Barbara and wish her an abundance of happiness as she retires. We are indeed grateful for our relationship with Barbara.

SOLID WASTE FACILITY

The Transfer Station continues to provide an excellent level of service to the Community. We are pleased to announce that Frank Dalton and Roland Davis have joined the team along with Don Parker and Mike Tacy. We all would like to thank them for doing an excellent job!

This year we put in a new concrete pad to put all of the disposal containers on. This has helped to keep the Center cleaner and the containers don't have to sit in the mud.

We have also gone to commingling Glass (such as brown, clear, and green) and we are also in a commingling program for Mixed Paper. What this means is residents can recycle all colors of glass or all types of paper instead of separating them.

We hope that these changes have made it easier for you to recycle. We would like to thank all the folks who use the Center and for keeping it clean. "It's been a big help".

Don't forget that the Hazardous Waste program comes in the summer and fall. We will post the dates as soon as we receive them.

The Solid Waste Committee has pledged and continues to maintain a top-level Transfer Station for the community.

Thank You,

Joseph Cuddemi
Donald Parker

CONSERVATION COMMISSION

This has been a quiet year for the Conservation Commission. Our big project for the year was to follow up on a report we presented to the Selectmen relative to town owned land.

It was our proposal to designate 12.9 acres behind the VFW as a town forest. Soon after we began work on our project, Bruce Edes was in contact with Richard Verney from Monadnock Paper Mills to see if some Mill owned land could also be set aside for this project. A meeting was held with Mr. Verney and the Commission. All were excited that the project looked good from all ends.

Unfortunately we lost Bruce to an untimely death. It was decided that this project should go forward but now be named in his memory.

Jim Cleary and I met with the Selectmen and presented the two warrant articles that you see in this report. The first article is to have the townspeople vote to allow the use of this land the town now owns for this project (Map 9, Lot 8). The second article is to enable the Selectmen to accept, in whatever form Mr. Verney deems appropriate, lands that the Mill is willing to set aside for this project.

I urge all voters to support this outstanding project, named in memory of Bruce Edes who has done so much for the town.

The above mentioned project is a large step toward one of the conservation goals of the town. That goal is to protect the river and water resources of the town.

We are also looking for some new Commissioners. This year we accepted the resignation of Terry Schnare, Chris Stephenson moved out of town, and with Bruce's untimely death, there are three vacancies. We wish to thank those Commissioners for their many years of outstanding service to Bennington. If you are interested in serving, please contact myself or the town office.

RECREATION COMMITTEE

Did you and your family participate in any of the events and programs sponsored by the committee this year? This year we attempted to advertise more in hopes to touch everyone. We continued to sponsor some old time favorites and also added a few new activities this year. Here's a rundown of what happened this year:

Movie Day: We rented the Peterborough Movie Theatre and showed two movies, "The Rugrats Go Wild" and "Daddy Day Care." We had a great turnout and it was a nice change of pace.

Sledding Party: So, who had more fun, the kids or the adults? Everyone enjoyed the obvious activity, but the bonfire for warming up and roasting marshmallows and hotdogs was a big hit as well.

5th Annual Easter Egg Decorating: A great turnout this year with lots of enthusiastic egg decorators. After decorating their eggs, crafts, snacks and games kept the children busy.

5th Annual Easter Egg Hunt: As always, the eggs were hunted down and the children had a great time finding them. We also had a surprise visit from the Easter Bunny himself!

Bennington Youth Baseball: Again, another successful year. With the addition of lights to Newhall Field, Bennington was able to host the Cal Ripken NE Regional Tournament this year July 31 through August 5. Congratulations and a special thanks to the dedicated coaches, parents, and volunteers, and especially our All-Stars.

Bennington Youth Soccer: The program ran well this year once a few minor details were ironed out. Thanks to all parents and volunteer coaches and we hope to improve on last year's program.

Whittemore Beach: What a great resource to our town! After a few years of problems obtaining lifeguards, we ended up with three fantastic lifeguards this year. We even had double coverage a majority of the time. Swimming lessons were offered this year and we hope to have more sessions and sessions earlier in the season next summer.

Old Home Days: The Fire Department handled this event this year. Our hope is to get more people involved next year and work together with the Fire Department to pull off a great day including the parade, muster, games, food and entertainment.

Annual Pumpkin Decorating: This fall favorite was held upstairs in the Town Hall to give the kids more room for decorating pumpkins, completing their crafts, playing games, and having a snack. Thanks to the Trow's for showing up unexpectedly and offering to give hayrides through town.

Holiday Events:

Children's Holiday Craft Party: Children showed up to decorate sugar cookies, sing karaoke, make a craft, and play a few games. As always, the kids enjoyed themselves.

Tree Lighting & Caroling: After canceling last year due to the weather, we had a great turnout this year. Once again the tree looked beautiful and this was a nice way to kick off the holiday season.

Visit with Santa and Sleigh Rides: This event was one of our most successful events for the year. Thanks again to the Trow family for providing hayrides. Everyone, both young and old, enjoyed a ride through town. This year Santa was tucked away in the multi-purpose room at Pierce School. Santa's helpers had hot chocolate and cookies ready for the kids after returning from the hayrides. Thanks to Santa as well for taking time out of his busy schedule to visit with our town's kids.

So, all in all, we had a great year. We are always open to new ideas. We meet the second Wednesday of the month at the Town Hall at 7 p.m.

ELECTION REPORT 2005

It is hard to know where to begin when describing this past year's election cycle. In Bennington we had four regular elections and one special election. We probably broke records in both directions for both the lowest voter turnout (the special election in July) and the highest voter turnout – 77% (the November Presidential). At the November election, we had 128 new voter registrations in one day! All those who helped on November 2 should be commended for making that busy day a success: there were no significant waits, and everyone who came to vote was able to do so.

2004 also saw another change in our board – Darlene McKenney chose not to run for another term - Drusilla Cox and Barbara Moorhead were elected to fill the two open seats. It couldn't have been a more complicated year to bring two new people into the job, but we all rose to the challenge and got things figured out reasonably well, considering.

This year's Town Elections will be Tuesday, March 8. The Polls will be open 8am – 7pm

As of this writing, Bennington has 958 registered voters: 230 Democrats, 400 Republicans, and 328 Undeclared voters. That is 185 more voters than we had last year! Hopefully, Bennington citizens will choose to continue turning out in higher numbers. Every vote will be counted, and every vote counts! We should be proud that the system in New Hampshire is a good one, and the use of paper ballots guarantees that errors can be corrected. This year, in our own State Representative District, we were reminded of how important every vote is, when on a recount, the results were overturned. The final margin was a mere four votes.

Discouraging stories from other states about long lines keeping working people from voting, ballots being lost, and votes being miscounted, point to how important it is that every part of the process be done with care and with the proper checks and balances. It is up to all of us to make sure that that never happens here, and that we continue working to keep our elections fair and open.

Copies of the Bennington Checklist are available on request for \$10 for paper copies and \$5 via email or floppy disc. Prior years' registration cards and checklists are open to inspection during normal Town Hall business hours. However, new privacy standards enacted with HAVA require that registration forms starting from 2004 will be kept confidential. There will always be printed copies of the most recent checklist available, however.

REGISTERING TO VOTE

Voting is a fundamental right, as it is one of the rights from which all other freedoms flow. Nearly every citizen of the United States is entitled to register and vote somewhere. In most cases, people register where their primary residence is. However, citizens who are in transition, homeless, living overseas, in college, etc. must have equal access to the fundamental right of voting.

In order to register to vote you must fill out a voter registration form and must have proof of your citizenship, age, and domicile. Bring your drivers' license, and make sure that it has your current street address on it. Or bring another picture I.D. and some proof of domicile. Proof of domicile can be any reasonable documentation indicating that you live in Bennington, like an electric bill or rental agreement. If you are not sure where your primary residence is, use the "pillow test": Where do you lay your head down to sleep most nights? Exceptions to this are college students who may vote in their college town or their home town, if they intend to return there after school; and senior citizens, who may continue to vote in their home town even if they move to a retirement home in another town.

If you do not have documentation regarding domicile you may sign an affidavit declaring your domicile. The affidavit may be sworn before a justice of the peace, notary public, or the Town Moderator on election day.

Voters can get on the checklist in four ways:

- 1) Same Day Registration. Register at the polls on the day of the election.
- 2) Register with the Supervisors of the Checklist at one of their scheduled sessions. Sessions are usually 10 days prior to the election and will be posted in the Monadnock Ledger and on the Town Hall bulletin board.
- 3) Register with the Town Clerk during regular Town Hall hours.
- 4) If you are out of town, you can get an absentee voter registration form from the Town Clerk, as well as an absentee ballot. Call 603-588-2189

CHANGING PARTIES

If you are on the checklist as a Democrat or Republican and you wish to be an Undeclared voter, please see the Supervisors or the Town Clerk prior to June of 2006 to fill out a change form. Do it now, before you forget!

ABSENTEE VOTING

If you will not be in town for any election, please try to vote absentee. You can even vote absentee if you are not sure if your work and commuting schedule will allow you to get to the polls in time. If you're not sure, it's always better to vote absentee. Your vote counts!

If you plan to vote absentee, please plan ahead. The Town Clerk has all the forms you will need, and she can tell you how to file absentee, and what the deadlines are for each election. Separate forms must be gotten for each election. (The exception to this is military personnel, who can fill out the Federal Post Card Application. This ensures that all ballots will be sent to them, as long as they are stationed in one place. The online version of this form is at <http://www.fvap.gov/pubs/onlinefpca.html>)

Call the Town Hall at 603-588-2189 for more information on absentee voting.

Thanks everyone for helping our democracy work!

SUPERVISORS OF THE CHECKLIST

BENNINGTON HISTORICAL SOCIETY

The Crotched Mountain ski area opened and had a good season – several people from Bennington were employed there.

The US Postal Department decided to close the sub-station in the Bennington Country Store and the post office boxes were taken to Antrim. What a travesty of justice! Every taxpayer and resident in our town should write our representatives and demand our own Post Office building. In order for the town to grow and prosper we need to maintain a Main Street and a village center.

The Historical Society again held a Christmas party for the first and second grade students. The students decorated the Christmas tree. Ms Pearl Walker had purchased their gifts and sent them up, already wrapped, in June. An Open House Holiday party also took place. Thank you Arnold and Jean Cernota, Barbara Willis, Chris McClure and all the others who helped.

The Bennington Historical Society Officers for 2005 include President – David Glynn, Vice President – Arnold Cernota, Secretary – Carrie Whittemore and Treasurer – Jean Cernota.

At the fall meeting, David Sysyn interviewed Velma Pope on “Remembering Bennington”. Velma shared her thoughts on growing up in Bennington – many others in the audience joined in. The meeting was well attended and we all learned a lot – thank you Velma.

We lost our friend Harriet Weston Johnson. We thank Mr. Johnson for a collection of Bennington items from the Weston homestead.

The Board voted to purchase a Sidney Willis painting in memory of our friend, Pearl S. Walker. The painting is beautiful and compliments our collection. Sid also gave the Society a painting “A View of the Francetown Street” – a painting he did earlier in his career – thank you Sidney.

It is sad for me to report that we lost our Bennington Historical Society matriarch, Pearl Stanton Walker II. After a brief illness, Ms. Walker died on July 15, 2004. She had always wanted to return to Bennington and especially wanted to see the completed projects – the office/kitchen and Pearl Walker Hall. Her many friends saw the paintings she bought, the pictures of Bennington and the lovely Hall.

Pearl S. Walker II
1909 - 2004

Ms. Walker has left a percentage of her estate to the Bennington Historical Society – the total amount is unknown at this time. The money will be held for the Society by the New Hampshire Charitable Foundation, a voluntary New Hampshire Corporation – with its principle office at 37 Pleasant St, Concord NH 03301. The money will be used to create the Bennington Historical Society Fund, a permanently endowed fund, to be managed in accordance with policies of the foundation. The fund will be used for the following purposes:

1. The fund shall be invested and the net income there from shall be paid to or for the benefit of the Bennington Historical Society
2. The income from the fund may be utilized for any of the following purposes: to purchase land for the BHS museum or Pearl Walker Hall; the writing of the Bennington New Hampshire town history; maintenance of the BHS museum and Pearl Walker Hall; office equipment/supplies for the BHS museum and Pearl Walker Hall; the acquisition and preservation of historical items and memorabilia pertaining to the town of Bennington; display cases for the BHS museum; construction of an old style gazebo or band shell and any other charitable purpose which the board of trustees of the BHS believe would be consistent with the purpose of the BHS including, for example, the payment of a modest amount to person to open the museum once a week.
3. This gift is in memory of Pearl S. Walker, a resident of St Petersburg, Florida in grateful appreciation of the many kindnesses the citizens of Bennington, New Hampshire have extended to her during her summer visits to Bennington, New Hampshire.

What a wonderful gift from a truly amazing friend.

The society needs more members – due to illness and death we have lost many loyal members. The annual dues are \$10 for a family membership. Please help us to continue our work as caretakers to the town's history and historical collection.

Respectfully submitted

David A. Glynn, President
Bennington Historical Society

PIERCE SCHOOL PTO

Our school year began by welcoming our new principal, Pamela Matthews. Pamela was a third grade teacher at Antrim Elementary School in Antrim, New Hampshire. An Open House was held for everyone to meet her and the other new staff members.

Our NHEIAP scores were reported and we are very excited at how well the students scored! Some of our teachers were trained in Alternate Portfolios and all of their hard work contributed to our success.

Mrs. Tenney, our librarian scheduled an Author's Day with Maryann Cocca-Leffler. She lives in Amherst, NH and has published many children's books. Her books include "Mr.Tanen's Ties", "Princess For A Day", "Calling All Cats", and many others. She visited with the students during the day and then we all enjoyed a Pot Luck supper with students and their families.

We received a \$500 award from Exxon Mobile/Draper Oil Company through Harris's Mini Mart. The monies will be used to buy computer software, which will aid the teachers in meeting the NETS (National Educational Technology Standards).

The staff is always grateful to have Jeannie Connolly and Terry Reeves supporting our students through the "Fine Arts Program". With their help we are able to do residencies, programs such as "FACTS" (Famous Artists Come To School), storytellers, and field trips to museums and plays. We appreciate how this program enables "Art" to come to the students in so many ways.

This fall the school piloted a Dental Program called "Monadnock Healthy Teeth" (MHT) which is sponsored by Monadnock Community Hospital. The goal is to provide children who have inadequate or no dental care with access to that care. A dental hygienist from MHT provided children grades K-3 with a variety of proactive dental hygiene services such as oral visual screening, teeth cleaning, classroom oral health education, and may also refer children to dentists for advanced dental care and sealant applications.

The Bennington Town Library was awarded the Clif (Children's Literacy Foundation) grant. This grant entitles the town library to a selection of new children's books at no cost. Duncan McDougall, a representative from Clif visited the school and asked the students why they think reading and writing is so important. He also shared with the children some wonderful stories and the new books they can find at their town library.

With many new staff members and a new principal it is the hope of the Pierce School community to spend the year getting to know each other as life long learners and to branch out into the town of Bennington in an effort to realize all the valuable resources that are available in this small rural community.

Our PTO continues to support the students through the Crafts Fair, May calendar raffle, and the Open House Bake Sale. These funds support the Fine Arts programs within our school and have enabled the purchase of risers for the multi-purpose room. The PTO began a new tradition of giving back to Pierce School students and their families through a Family Fun Night. Students and their families were able to attend a free evening filled with games, activities and

entertainment from Moe the Balloon Guy! Following are additional PTO fundraisers that anyone can contribute to:

Box Tops for Education – The children of Pierce School and members of the community collected over 3,000 Box Tops earning \$300 for Pierce School. Box Tops are located on many General Mills, Betty Crocker, Pillsbury and Green Giant products. Pierce School receives 10 cents for each Box Top. All funds raised go directly to activities and supplies for the Pierce School children.

Cartridges for Kids – Don't throw away your old ink/toner cartridges or cellular phones! Bring them to Pierce School and we can trade them in for cash!! Cartridges for Kids recycles these items and sends us a check. Last year we received over \$50.

We would like to thank the local businesses that have supported our many activities. Specifically we would like to thank the Common Place Eatery and Our Town Country Store for always being there when we needed them. Thank you to our senior citizens that drive for field trips and volunteer at the school, parents and Teachers that volunteer their time, and the community for their continued support.

The children we help today at Pierce School will some day be the adults we look to for support in the future. Let us continue to lead by example and volunteer, attend school functions, and support school fundraisers.

*"How wonderful it is that nobody need wait a single moment before
starting to improve the world."*

Incorporated: 1842

Origin: Taken from portions of Hancock, Greenfield, Deering, and Frankestown, the town was named in commemoration of the Battle of Bennington, fought on August 14-16, 1777, near Bennington, Vermont. Vermont's Bennington was named for Governor Benning Wentworth, who was responsible for naming many towns in New Hampshire and Vermont.

Population, Year of the First Census Taken: 541 residents in 1850

Population Trends: Decennial population growth rates in Bennington have varied, starting with a loss of two residents between 1950-1960, less than half a percent, and peaking with a 39 percent increase between both 1970-1980 and 1980-1990. Bennington's 2000 population was more than double that of 1950, going from 593 residents in 1950 to 1,401 in 2000, a total increase of 808 residents. The 2003 Census estimate for Bennington was 1,438 residents, ranking 160th among New Hampshire's incorporated cities and towns.

Population Density, 2003: 124.6 persons per square mile of land area. Bennington contains 11.4 square miles of land area and 0.2 square miles of inland water area.

CAL RIPKEN NEW ENGLAND REGIONAL BASEBALL TOURNAMENT

For six days this summer, the Conval All-Stars hosted the Cal Ripken New England Regional Baseball Tournament at Bennington's Newhall Youth Field. Held July 31st through August 5th, the Tournament showcased some of the most talented 12-year-old baseball players in New England.

In 2004, lighting was installed at the field to make night games possible. The first game ever to be played under the lights was played by the home team. The game proved more breath taking than the field lit up by the lights, with a no hitter through six innings. The Conval All-Stars won the game on a homerun in the bottom of the sixth inning.

Having been eliminated in tournament play earlier in the summer, the Conval All-Stars were given a bid into this Tournament because they were hosting the festivities. The All-Stars played tough baseball in front of record setting attendance and placed second in New England – the furthest a host team has ever gone.

This Tournament was not possible without the generosity of the people from the Bennington area – young and old – who donated time and talent, area businesses who donated money and services, those who worked the Tournament, and those behind the scenes who made it all happen. The greater Bennington area showed an example of how, even in a small town, teamwork can make great things happen.

Bennington is proud to have been a part of this momentous event and extends a heartfelt thank you to all those involved, who for a week this summer, showed representatives of six New England states what a very special place our town really is.
